

# November 2019

As fall has settled in, its has been one crazy adventure after another! We had a SNOW DAY in October! How crazy was that?! I am sure everyone had a nice relaxing day at home too. With that in mind, please let us know if there are any changes in phone numbers or emails just in case we have another snow day. A reminder, WCCC follows School District 81 on snow closures. If District 81 is closed, we will be as well.

We also went to Hidden Acres Orchard in two different groups on two different days. We were able to taste their yummy apple cider and pumpkin donuts. There was a tire maze to go through to get to the little sugar pumpkins. Our participants learned a little from the Bee Lady on how apple trees are pollinated. The hay ride, I would have to say, was the coolest! The nice farmers helped our wheelchair guys up on to the trailer so they could go as well. Hidden Acres Orchard sure went out of their way to make sure we were happy and taken care of. Let LSC know if you have not yet received a pumpkin from the visit.

Can you believe Thanksgiving is just around the corner? I know we can't! We are going to do something different this year. Instead of having a huge Thanksgiving dinner, we are going to do an Ice Cream and Dessert Social. This will be held on **November 20th.** If you would like to pack a little turkey lunch for our participants that would be swell, if not that's ok as well.

We want to thank all of the homes and houses our participants come from and all the help they provide. We are thankful for all our participants and the joy they bring!

Learning Skills Program Coordinator

Michelle B.

**With fall here, we have seen more and more illnesses. Please stay home if you have the following...**

**Fever  
Cough  
Running nose  
Diarrhea  
Vomiting**

## Items Needed:

**Wipes  
Snacks  
Craft Paint  
Kleenex  
Clorox Wipes  
Juice Boxes  
Puzzles**

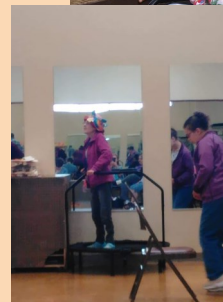

**Michelle D.**

**11/04**

**Lucas H.**

**11/24**
