

LSC October 2021 Newsletter

We have had a wonderful September. We worked on puzzles, games, made bracelets and even enjoyed some time in the gym playing basketball. Eric and Racheal are still watching the cases in Spokane to know when we are going to return to field trips and outings with LSC.

We are slowly gathering more participants to come to our wonderful center. If you know anyone who is wanting to come and join us, please send them our way. We are open to everyone.

September also saw some Whitworth student come and do an art project with our LSC crew. The students and participants are working on a collaborative mobile project. It was great to have the students back.

If you or anyone you know is in need of a lockbox to keep your items safe a secure, please contact Alyx at our front desk. West Central has some that they are giving out. Our Number at the front desk is 509.326.9540.

LSC definitely took advantage of the nice weather. We were able to get out a couple days and play basketball. The fresh air was great and everyone had fun.

Kathy and Richard completed a 1,000 piece puzzle.
